

FUEL DEPOT

Welcome to Petrol d.d., Ljubljana!

In the area you are entering, hazardous activities and processes are taking place, so please read the following rules carefully and follow them at all times.

Entry must be announced and approved. Movement is restricted.

Storage of flammable substances - observe safety warnings.

Vehicles with a EURO 3 or less powertrain should have a spark arrester.

Follow the direction of travel. Any deviation must be specifically authorised.

When driving, follow the same rules as on public roads.

Use prescribed personal protective equipment.

No smoking!

No open flames!

No electronic devices in explosion-risk areas!

No photography or filming!

No disrespectful behavior! No alcohol or drugs!

Vehicles used to transport dangerous goods must meet the safety, reliability and suitability conditions.

Switch off the vehicle's engine when you leave the vehicle.

Dangerous work can only be carried out after a work permit has been issued. Follow the prescribed instructions for safe work.

A vehicle carrying dangerous goods has priority over other vehicles. Overtaking is prohibited.

Park only in designated parking spaces. Taking legally required rest breaks is prohibited. Control your vehicle.

In the event of an initial fire, use a fire extinguisher. If a fire develops, press the fire alarm. Unintended use is prohibited.

Emergency and evacuation routes must always be kept clear.

In case of injury, use first aid equipment. The locations of the equipment are marked on the depot map.

When evacuating, follow the instructions of the staff or safely stop all work and proceed to the designated evacuation assembly point.

SPEAK UP FOR THE SAFETY OF EVERYONE INVOLVED

If you have any questions, please feel free to contact the responsible persons. Try to rectify any irregularities found, and if you cannot, inform the competent person immediately.

REMEMBER! IF WE ALL ACT CAREFULLY AND ACCORDING TO THE INSTRUCTIONS, WE WILL RETURN EACH DAY TO WHAT IS TRULY IMPORTANT IN LIFE.
