The e-Business Portal (<https://www.ep.petrol.si/b2b>)

A portal for accessing business applications intended for customers. Through the "Issued Invoice Review" application, invoices can be viewed in GS1 XML, eSlog, and PDF formats. Access to the web application is automatically granted to customers who choose to receive invoices via online banking. In this case, eInvoices will not be sent to you. You will only receive an e-mail notification when a new invoice becomes available in the e-Business Portal.

If the customer opts out of electronic invoicing, printed invoices will be delivered by post.
